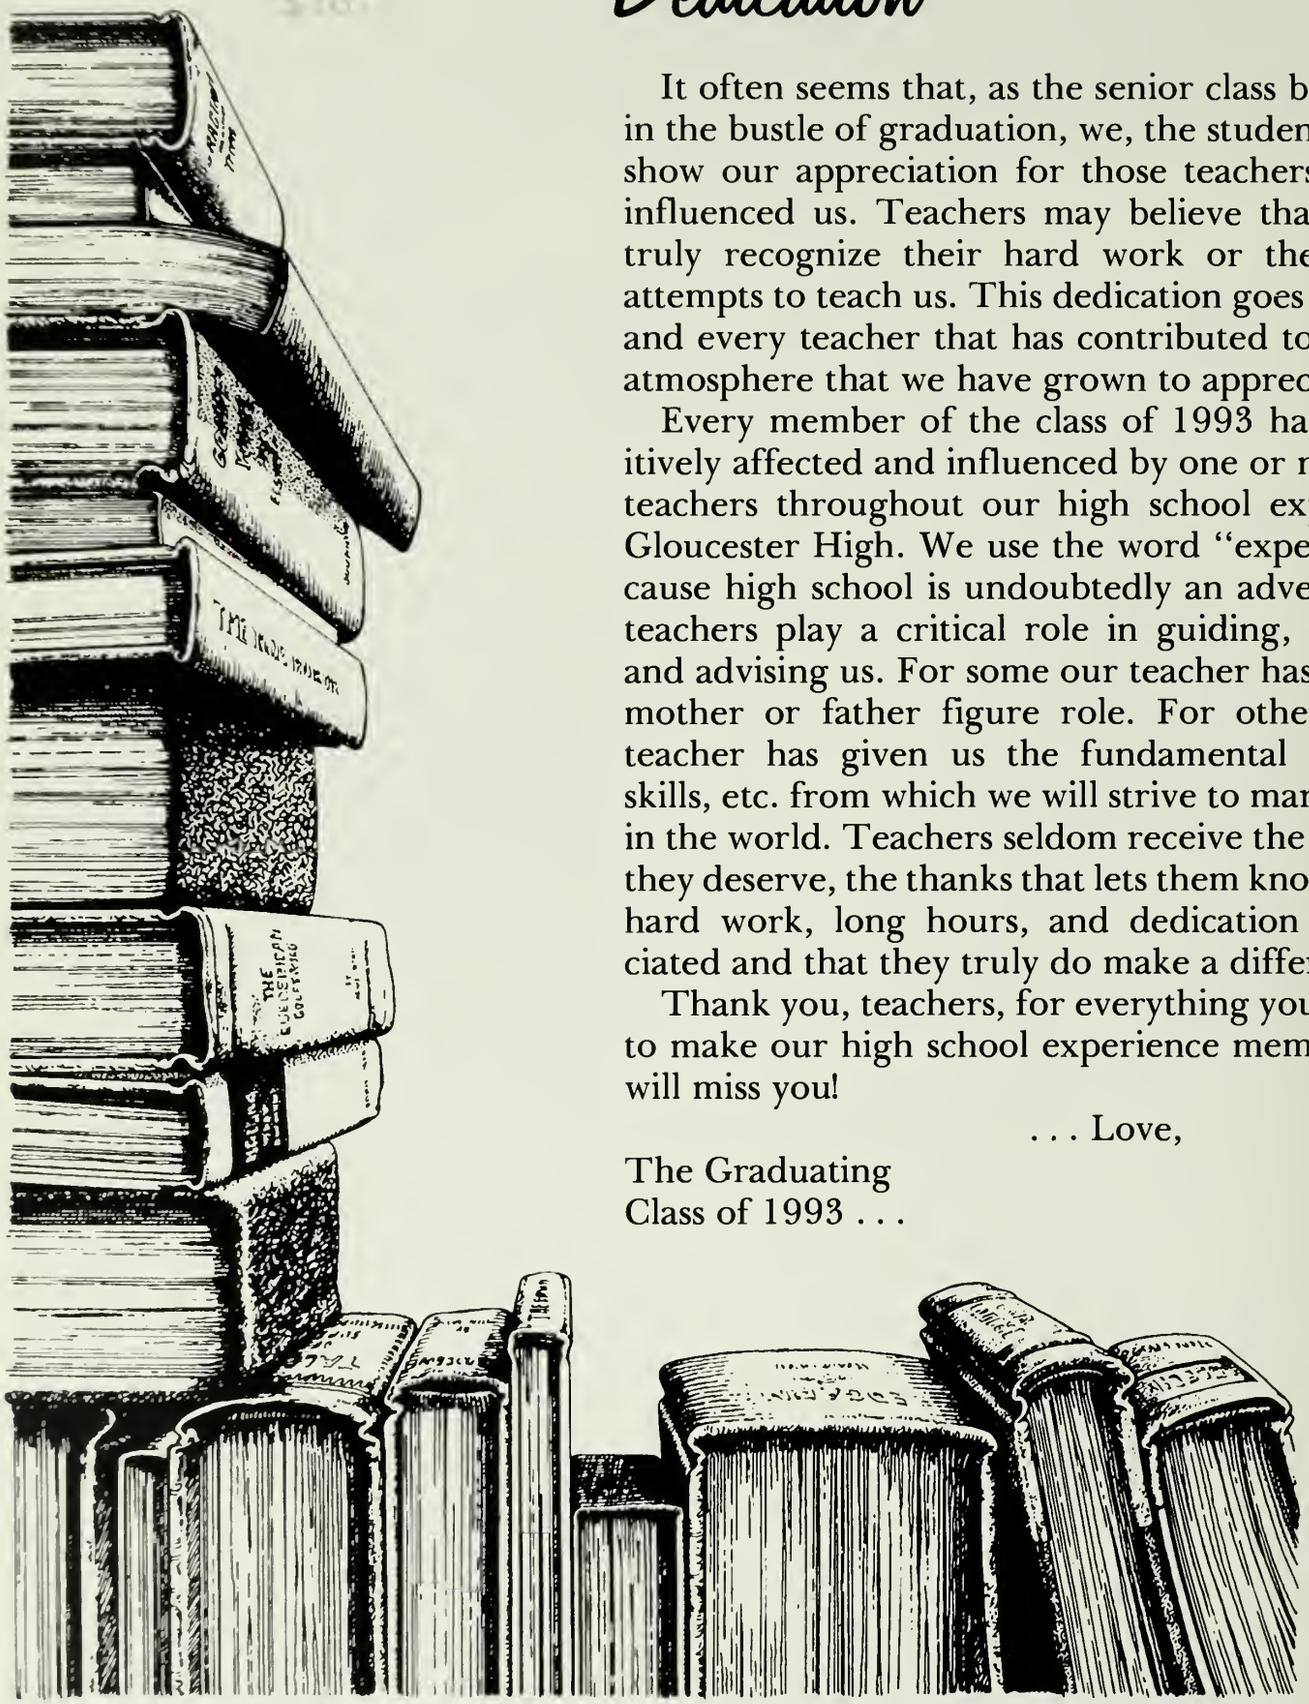
Dedication



It often seems that, as the senior class becomes lost in the bustle of graduation, we, the students forget to show our appreciation for those teachers who have influenced us. Teachers may believe that we never truly recognize their hard work or their genuine attempts to teach us. This dedication goes out to each and every teacher that has contributed to the school atmosphere that we have grown to appreciate.

Every member of the class of 1993 has been positively affected and influenced by one or more of our teachers throughout our high school experience at Gloucester High. We use the word "experience" because high school is undoubtedly an adventure. The teachers play a critical role in guiding, instructing, and advising us. For some our teacher has taken on a mother or father figure role. For others of us, a teacher has given us the fundamental knowledge, skills, etc. from which we will strive to mark our place in the world. Teachers seldom receive the thanks that they deserve, the thanks that lets them know that their hard work, long hours, and dedication are appreciated and that they truly do make a difference.

Thank you, teachers, for everything you have done to make our high school experience memorable. We will miss you!

. . . Love,

The Graduating
Class of 1993 . . .

We worked hard over the year to produce a yearbook that captures our dearest memories and most enjoyable times. We hope that you will cherish this year's edition of the Flicker as much as we do. Hours of hard work went into the production of this book.

SENIOR YEAR IS WHEN . . .

1. The College Search is on.
2. Senioritis sets in.
3. Days off increase . . . hopefully.
4. Seniors are out of school a month before Fiesta . . . and underclassmen!!!
5. Final grades seem unimportant to some and very important to others.
6. If you do not step out into the world and get a job, you are finally accepted at the school of your choice (or you're wait listed).
7. The class looks forward to Dr. Symond's Graduation speech!
8. Senior girls enter the Best Body Contests at a particular club off Route 1.
9. The class becomes more like a family!!
10. We have to fill out Senior Favorite sheet, Senior Memories and Calendar items for the yearbook.
11. The word "party" seems to be the most predominant word in our vocabulary.
12. School Spirit is at its best!

LET'S GO GLOUCESTER

You left us, Willie, we don't know why,

We only know we mourn and cry.

We grew to love you more each day,

It's not supposed to be this way.

But let's not let our grief enslave us.

We'll think of all the things you gave us.

Your love and friendship are the parts

We'll carry with us in our hearts.

Love you Will, Your friend,

Bobby

We all miss you . . .

Willie Gross

Born: May 21, 1977

Died: February 26, 1993

You have touched many of us and your memory will live in our hearts.

FIELD HOCKEY

GHS VARSITY FIELD HOCKEY

BY SHAWNA BARRY

The Field Hockey team entered its season with high hopes of accomplishing its highest goal — making it to the tournament.

With confidence, the team started with a winning record. But as the season came to a half-way point, frustration and lack of spirit began to make way. The team now faced many problems. Even though the chance to make the tournament was doubtful, the team made it through the rough times, and ended its season with hard-fought losses.

The team's record was 5-6-3. It consisted of tri-captains: Shawna Barry, Cristie Kilman, and Bethany Hurst. Other seniors include: Michelle Marnoto, Kortnee Curcuru, Marni Conlon, Jennifer Flaherty, Kara Kincade, Ellen Davis, Nicole Spoon. Juniors: Jenniffer Malbeouf, Jennifer Anderton, Vanessa Lindberg, Hannah Sherman, Alyssa Douglass, Tory McNeil, and sophomore: Tania Guerra.

BOY'S SOCCER

The Gloucester High School Boys' Soccer Team had a rewarding 1992 season. The group of players saw a new coaching staff and talented freshmen entered the team this year. The soccer team played very well and worked extremely hard to achieve its success.

The forward positions were held by able players. There were speed and strength on the front line. The halfbacks did a great job controlling the game and setting up the front line to score goals. The defense also contributed by holding back many opposing players in their attempts to score, thereby saving many games. The goalie was a great asset to the success of the team, making tremendous saves and inspiring other players to play with confidence. The sidelines were able to come in and help the team when needed, which proved to be a significant advantage over other teams.

Next season will see the return of talented players. While we will miss the seniors a great deal, we look forward to another exciting soccer season.

GIRLS SOCCER

This year was the second season Gloucester girls have played at a varsity level. We were a young team yet that helped to make us as spirited a group as we were known to be. Coach Carlson and his assistant John Rodolosi helped us to improve our play as a team with constant encouragement. Although we had a losing season we were able to build our self-confidence as a team and as individuals. We also built friendships that will hopefully last and grow. Seniors Dawn Richards, Co-Captain Christina Ronchetti, and Co-Captain Gwen Howard will be sadly missed by next year's returning team.

Girls Tennis

This year's GHS Girls Tennis Team not only showed a desire to win, but a prosperous outlook for seasons to come. Headed by co-captains Tracy Wright and Maria Costa, this young group worked well as a team and finished at the top of the Northeastern Conference qualifying for this year's State Tournament. Coach Callahan and the team sent Paula Ryan, Amber Nicastro and co-captain Maria Costa to the ranks of Northeastern Conference All-Stars. With a nucleus of underclassmen, we at GHS are sure to see outstanding things from this group in the future.

This year is the first year in Gloucester High School history to have a Girls' Ice Hockey Team. Fifteen ambitious girls with the courage, desire, and showed the tenacity to prove to their skeptics that these athletes were going to do a very physically demanding "man's" sport, yet showing stamina, determination, and fearlessness to give it their all in this contact sport.

Next year, with an early start with continued hard work and the correct equipment, these girls and more will continue on with a team that is physically fit, and more experienced, to bring home a great record for these new Fighting Fisher "women."

GIRLS' BASKETBALL

The girls' basketball team gave Gloucester a great season this year finishing up with a 9-10 record. Close scores lost the team a few games but they played even harder in the next game. Coach Lisa Olsen and captain Bethany Hurst gave the team the desire and determination it needed to enter the state tournament. Gloucester was victorious in its first tourney game but was defeated in the second game.

This team has skill and success written all over it and the future will only get better for this group of girls. Seniors Bethany Hurst and Enza Sanfilippo will be missed by both the team and the fans.

RIFLE TEAM

Top Right: Coach Keith Marshall
Captains: Brian Marshall, Christina Ronchetti, Mike Marshall, and Jim Merchant (missing)

Seldom does one school dominate a sport for four years, but that is exactly what the Gloucester High School Rifle Team has done. The team has just completed its third undefeated season. In fact, after losing its first match four years ago by a slim margin, this team has won the last forty-three matches very convincingly. Coach Keith Marshall must be given credit for this superior record. His knowledge of the sport, patience, understanding, and dedication have propelled this team into the record books.

In now familiar fashion, senior Brian Marshall captured the top shooter position. His total average of 182.17 established a new Metropolitan Rifle League record that will be added to a host of other records that he has set during his four years of competition. Senior Michael Marshall joined his brother as one of the top five shooters in the league with a score of 175.67. Senior Christina Ronchetti finished the season in third position with an excellent 170.50, just beating out senior James Merchant who scored 169.73. These four seniors have formed the core of this team over the last several seasons. With junior Janda Ricci-Munn as the fifth shooter, they established a new team scoring record against New Bedford this year of 868.32x.

Senior Ellen Davis finished her first year on the team with a very good score of 138.13. Janda Ricci-Munn was close behind her with his first year score of 132.27. Freshmen Matt Ventimiglia and Tony Brancaleone finished their first season with very respectable scores of 118.27 and 84.67, respectively.

With the top four shooters graduating this year, Coach Marshall will have a difficult job repeating this impressive record. If anyone can do it, he can.

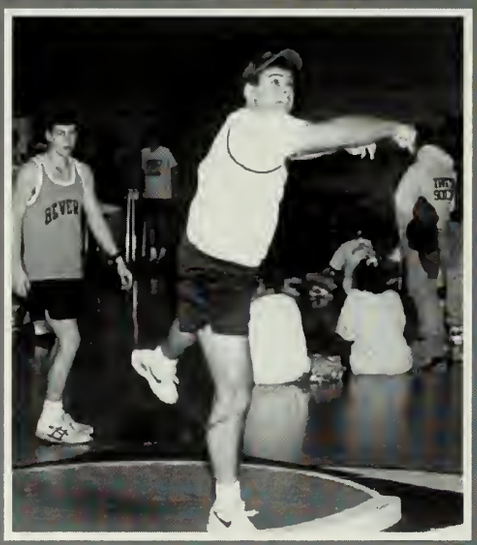
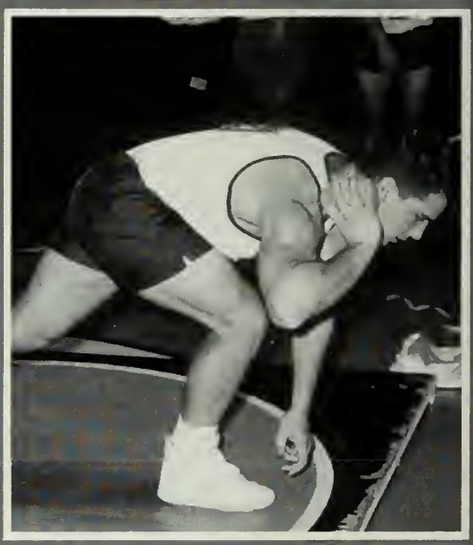
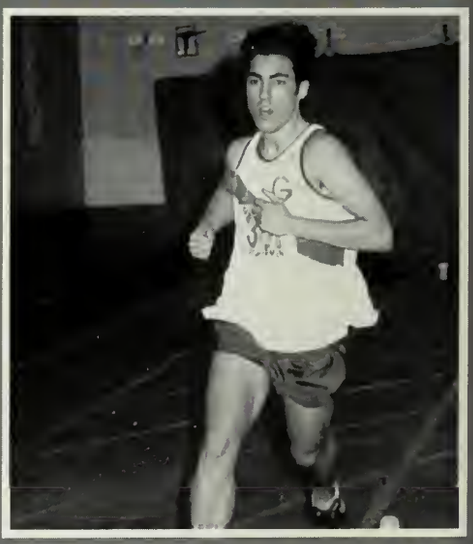
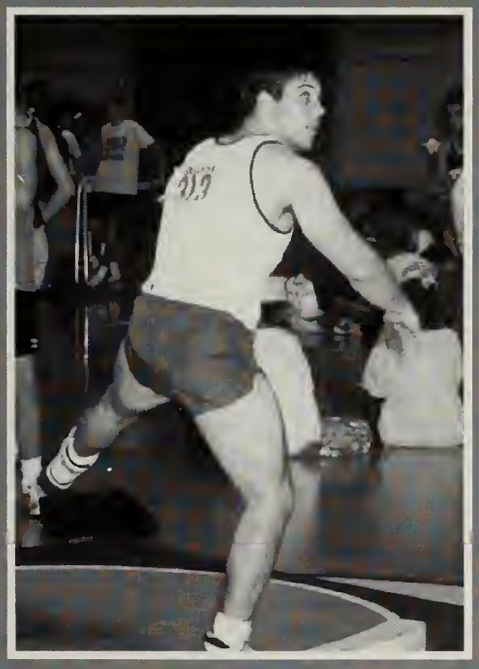
9 wins 0 losses









The Boy's Indoor Winter track team had an outstanding year. They closed the season with a perfect 9-0 record. We are very hopeful that we will have a team next year to follow in their footsteps. We have some younger kids on the team and also some that have had a lot of experience which will help with future teams.

The Gloucester Fishermen Boys Spring Track team had another sensational season in 1993, going 9-0 and capturing the Northeastern Conference crown. Their championship season was spearheaded by captains James Looney, Janda Ricci-Munn and Wayne Saunders. Saunders also was named Conference MVP for his outstanding achievements in both track and field events.

Although this year's team was experienced, it was by no means old. A solid corps of underclassmen produced many valuable points throughout the season. These promising athletes will be looked upon to provide victories and leadership in seasons to come.

The 1993 Boy's Tennis team had a very productive season this year. Each member contributed his best to make the team a successful one. The team had strong leadership from senior co-captain Jerry Lovasco and junior co-captain Tom Webster. Lovasco as well as his fellow seniors Scott Cranston and Dave Favazza will be missed in the upcoming year, but much luck is wished to them all in their future endeavors.

Under the direction of coach Mary-Ellen Callahan, the young team finished stronger than expected in the conference. Members of the team played in the state tournament at the close of the season. This was quite the achievement, and one the team should be proud of.

SPIRIT WEEK

This past year Student Council was very creative in its choices for the various days of Spirit Week. This year's choices included TEAM JERSEY DAY, HAT DAY, PAJAMA DAY, TOGA DAY, and — of course — OUTRAGEOUS DAY. In the past few years, some have nicknamed Spirit Week as Spirit WEAK, due to the lack of participation. Well, after this year, looks like all that is going to change! Keep up the good work, guys!! Christmas

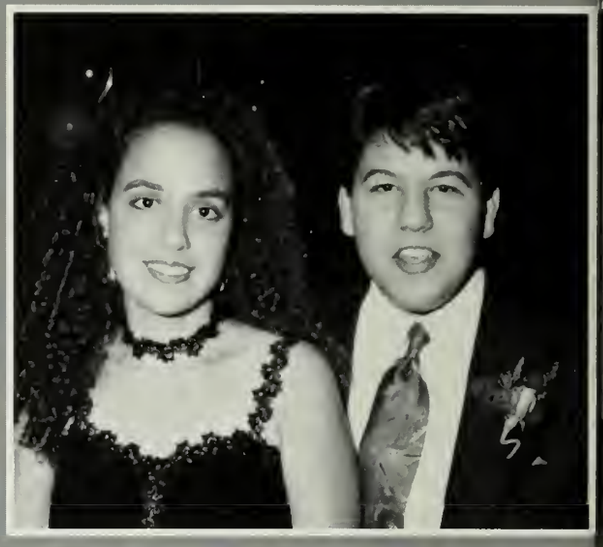
Semi-Formal

December 3, 1992



"Oh What a Night," the night of December 3, 1992. The senior class and their dates filled the Peabody Marriott. Compliments filled the room; everybody looked so nice. The music, provided by Leo's Classic Hits, brought enjoyment to all. All the different groups danced together and a feeling of unity filled the room. We frolicked to such timeless tunes as the Beastie Boys, Cypress Hill, Frankie Valli and The Four Seasons, Whitney Houston, and that oldtime favorite, Chubby Checker! Everybody had a great time.

The smiles, the compliments, and the enjoyment felt by everyone were just the beginning of what the class was becoming — one! After four years, in the last few months of our high school days, we were getting along.

Senior Banquet

May 6, 1993

The 1993 Senior Banquet was held at Caruso's Diplomat on May 6. Class advisor Ms. McGrath greeted seniors and their parents at the door with flowers for the mothers. After a lovely dinner, the class officers took the microphone to welcome the guests. Co-President Melissa Sarofeen read a poetic tribute to the fathers, and Co-President Joe Lucido and Vice-President Jim Smith combined talents to honor the mothers.

The seniors and their parents danced for hours and even Dr. Symonds and Ms. Erwin got in on the action. Everyone can agree that the 1993 Senior Banquet was a wonderful evening for all who attended.

THAW
FROM

RIGHT NOW
By: Van Halen

Verse: 1

Don't wanna wait till tomorrow, why put it off another day? One by one,girl, problems build up and stand in our way. Oh!

Pre-Chorus:

One step ahead, one step behind, it. Now you gotta run to get even. Make future plans, don't live about yesterday, hey! Come on turn, turn this thing around.

Chorus:

Right now! Hey! It's your tomorrow. Right now! Come on, it's everything. Righ now! Catch your magic moment, do it right here and now. It means everything.

Verse: 2

Miss a beat, you lose the rhythm, and nothing falls into place. Only missed by a fraction, sent a little off your pace.

Pre-Chorus:

The more things you get, the more you want. Just tradin' one for the other. Workin' so hard to make it easy. Got to turn, come on, turn this thing around.

Chorus:

Right now! Hey! It's your tomorrow. Right now! Come on, it's everything. Right now! Catch your magic moment, do it right here and now. It means everything.

Interlude:

It's enlightening right now, Uh, what are you waitin' for? Oh, yeah Right Now!

Chorus:

Right now! Hey! It's your tomorrow. Right now! Come on, it's everything. Right now! Catch your magic moment, do it right, right now, Oh, right now! It's what's happening, right here and now. Right now. It's right now. Oh. Tell me, what are you waitin for? Turn this thing around.

To my family,

I just wanted to put into writing, or at least try to, how I feel about you and how much you mean to me. For all of my life and especially, the past four years you have all watched me grow. You knew when to let me stumble, to learn a lesson and when to pick me up and give me a push.

Mom and Dad — I don't know what else to say except for thank you for being the best parents imaginable. You have been there for the hardest times and made an impossible world so much easier. I Love You!!

Rhonda, Peter, John, and Joanne — You were never too busy to sit and talk or even just to listen. Those late nights and special moments mean the world to me and will never be forgotten. Thanks for always looking out for me. I love you all.

Love, Renee

Reneé & Sam,

God made little girls, it seems
To answer every parent's dreams . . .

A daughter to teach the golden rule,
To watch as she goes off to school . . .

Playing tricks and funny pranks,
Learning to say "please" and "thanks"
Yes, God brings parents endless pleasure
When He sends little girls to treasure.

We love you, and are proud of
you!!

Love,
Your Moms

TO LISA —

My sister and my best friend

I can't believe that you are really graduating from high school. Does that mean *we* passed English? We've had some great times this year, especially in Florida! Eric and I wish you the best of luck for the future and at college. We will always be here for you. One bit of advice you need to remember . . . Grease is the word! I Love You, Li Li!

TO OUR DAUGHTER MELISSA SAROFEEN

SINCE YOU WERE BORN YOU HAVE BEEN SUCH A BEAUTIFUL ADDITION TO OUR FAMILY. NOW THAT YOU ARE GROWING UP WE CAN SEE THAT YOU ARE A BEAUTIFUL ADDITION TO THE WORLD, AND WE ARE SO PROUD OF YOU. AS WE WATCH YOU DOING THINGS ON YOUR OWN, WE KNOW YOU WILL FIND HAPPINESS AND SUCCESS BECAUSE WE ARE CONFIDENT IN YOUR ABILITY, YOUR SELF-KNOWLEDGE, YOUR VALUES. BUT IF YOU EVER NEED A BOOST OR JUST SOMEONE TO TALK TO ABOUT DIFFICULTIES THAT MIGHT BE OCCURRING, WE WILL ALWAYS BE HERE TO HELP YOU, TO UNDERSTAND YOU, TO SUPPORT YOU, AND TO LOVE YOU.

LOVE ALWAYS,
MA AND DAD
